| Arkells                         |    | Bees          | 4.5% | Pale Ale          | We couldn't have a Stratton beer festival without a couple of Arkells beers. The first, Bees, is a seasonal golden ale reviving a classic recipe from years past, and incorporates local honey sourced close to the Kingsdown Road brewery, resulting in a light, fresh taste.                                                                                 | Donated by Arkells Brewery             |
| Arkells                         |    | Belt Driver   | 4.7% | IPA               | The name is a nod to Arkell's authentic traditional belt-driven brewhouse, where belts and wheels installed in 1861 still today power the brewing process. Belt Driver is a full-bodied IPA bursting with tropical and grapefruit flavours.                                                                                                                    | Donated by Arkells Brewery             |
| Bristol Beer Factory            |    | Independence  | 4.6% | Pale Ale          | CAMRA's Champion Beer of Britain 2026! A distinctive American pale ale full of big hop character but without the strong bitterness. Carefully selected American hops are added continuously during the boil and also during conditioning (dry hopping) to give a really fresh aromatic boost and a malt backbone balances the beautiful tropical fruit aromas. | A member of St Margaret's Congregation |
| Church End Brewery              |    | Purple Rain   | 3.4% | Amber             | Amber in colour with a blend of UK and US hops; Bursting with funky stone fruit flavours and a satisfying malt finish                                                                                                                                                                                                                                          | Councillor Roger Smith                 |
| Church End Brewery              |   | Bounty Bitter | 4.3% | Best Bitter       | Crafted using pale malt and Chinook hops, the result is a distinctive light colour alongside a clean, crisp, and delicate flavor profile. True to the brewery's reputation for producing a vast rotation of unique recipes, Bounty Bitter is noted by drinkers as a highly refreshing and moreish ale                                                          | Beard Construction                     |
| Elephant School Brewing Company |  | Bumbleduck    | 4.8% | Porter            | Named after elephant training grounds that used to operate at nearby Warley Barracks in Essex, the brewery is known for letting their passion for real ale run a little wilder. This is reflected in Bumbleduck, a robust English-style porter that balances rich, dark roasted malts with sweet honey notes, complemented by toasty malts and silky oats.     | The Whitfields                         |
| Hop Kettle Brewing Company      |  | Starburst     | 5.0% | IPA (Gluten free) | An all American West Coast IPA boasting 6 hop varieties. Pink grapefruit, citrus and ripe stone fruit flavours with floral, sweet fruit aromas finishing with a citrus peat bitterness                                                                                                                                                                         | Kim & Trevor Jenkins                   |

| Brewery name                | Badge                                                                               | Beer name                | ABV  | Beer style   | Beer description                                                                                                                                                                                                                                                                                                                                        | Sponsor                           |

| Hop Kettle Brewing Company  |    | Supernova Simcoe         | 5.6% | IPA          | Single hop India Pale Ale brewed with Simcoe hops from USA delivering a bold, complex mix of pine resin, ripe stone fruit, and bright citrus. Soft mouth feel and full creamy body with a restrained bitterness.                                                                                                                                        | Graham & Jeanette Spackman        |
| Kettlesmith Brewing Company |    | Mission Bay Lager        | 4.4% | Lager        | A rice lager with a bright yellow, slightly hazy look. It offers a clean, crisp profile featuring a touch of cereal grain sweetness and a short, sharp bitter finish, drawing comparisons to a classic Keller Pils.                                                                                                                                     |                                   |
| North Cotswold Brewery      |    | Shagweaver XL            | 5.4% | Golden Ale   | A double hopped beer, bright golden in colour with excellent clarity. On the palate, juicy grapefruit and lemon lead, followed by hints of peach and tropical fruit, layered over a clean, lightly biscuity malt base. The finish is crisp and refreshing, with a confident yet smooth bitterness that lingers just long enough to invite the next sip. | Ian & Sarah Jones                 |
| North Cotswold Brewery      |    | Hung, Drawn 'n' Porter'd | 5.0% | Porter       | Strong dark treacle coloured porter with Bramling Cross hops and a malty finish. An ale that harks back to 18th century London. Descended from brown beer porter is a well hopped beer made from dark roasted malt. The name came about as a result of its popularity with street and river porters.                                                    |                                   |
| Shakespeare Brewing Company |    | Falstaff's Folly         | 4.0% | Best Bitter  | A traditional session bitter featuring a deep copper hue, rich caramel and earthy malt aromas, a balanced malt-forward flavor profile with subtle English hops, and a soft, mild bitter finish. Won Best British Bitter award in 2024.                                                                                                                  | John Bridgeman                    |
| Wantsum Brewery             |   | Thunderbolt              | 6.0% | American IPA | Named after the Thunderbolts which flew out of RAF Headcorn, Kent, during WW2. A delicious Double Dry Hopped IPA, using Citra / Mosaic / Krush hops in the whirlpool, hopped late to give a gentle bitterness but maximum flavour.                                                                                                                      | A member of Coleview Congregation |
| Wantsum Brewery             |  | Imperium                 | 4.0% | Best Bitter  | A deep amber classic Kent best bitter featuring smooth biscuit malts balanced with a rich hoppy nose, brewed exclusively with locally grown Kent Bullion hop. Named after King Ethelbert, Anglo-Saxon King of Kent.                                                                                                                                     | David & Carole                    |
